quality enhancement as well as placements of the students. In last five years, 68 students have secured the position in university merit lists. The college has conducted 58 workshops on NEP, entrepreneurship, research, innovation etc. during last five years.

Obstacles:

Due to rural background,

- Low motivation level in students and low placement ratio
- Low application ratio for admission
- No other state and abroad students

Positive impact on society:

Due to consistent honest efforts, dedication, team work and work culture, our college has emerged as a symbol of merit and has made positive impact on community. Active support of the management, stake holders, faculty and students will lead towards academic excellence consistently.

Promotion and Outcome:

The college promotes all the activities and achievements of students, faculty and parents by due felicitation and prizes to the students, their parents and faculty for their achievements and publishing them through website, newspapers etc. from time to time. College also inspires the stakeholders on annual prize distribution function as well as 4th February (Birth Anniversary of Karmveer Dr. Mamasahab Jagdale) by the hands of eminent guests every year. These milestones of the college have attracted the concentration of society and due to which eminent educationalists, social activists, parents, faculty and management of other colleges use to visit our college.
