HIGHLIGHTS OF COLLEGE

Central Library

A newly constructed "Yashvantrao Chavan Central Library" is one of the gems in the crown of the college. There are more than 137000 books in the library which are available to the students. There is a beautiful memorial of our founder Karmveer Dr. Mamasahab Jagdale.

Playground and Gymkhana

The college has over nine acres of playground with four hundred meter 8 lanes running track and modern wrestling mats. The gymkhana is well equipped with modern multipurpose exercise equipment. The gymkhana committee organizes zonal and interzonal sports activities.

National Service Scheme (NSS)

The NSS department started in 1971, with a view to promote social awareness, sense of responsibility, discipline and dignity of labour among the students. The objective is to develop overall personality of the students through community services. It has 3 units working with admission for 250 students. It runs different activities like Swachh Bharat Abhiyaan, tree plantation and conservation, blood donation camps, Youth week, cultural programmes etc.

National Cadet Corps (NCC)

The NCC aims to create and encourage self discipline, self confidence and leadership qualities among the cadets. The cadets are properly trained and guided for B and C certificates examinations.

Student Council

It is formed in accordance with the provisions of Maharashtra University Act. The Class Representative (CR) for each class is selected in the order of merit. The class representatives then elect the **University Representative (UR)**

- The hostel facility for more than 500 girls is provided at reasonable cost. Canteen facility is available to the students and staff. Vehicle parking provision is made at no cost.
- The college organizes Annual Prize Distribution function every year to felicitate the students with various prizes, awards and medals for securing ranks in university examination, extracurricular and cultural activities etc.
- Various scholarships, free-ships and other facilities are provided to the students - Govt. of India scholarship for SC, ST, NT, OBC, SBC, VJNT, differently abled, Govt. of Maharashtra scholarship for economically backward class, free-ships to the wards of primary and secondary school, teachers, minority welfare scholarship etc.
- Karmveer Competitive Examination Guidance Centre has been started for the benefit of rural area students who are desirous to appear for competitive examinations like MPSC, UPSC, Staff Selection, Banking etc.
- Student Insurance Scheme for all students and Earn while Learn Scheme for poor and needy students.

Career Oriented Programmes

The college runs the career oriented programmes to develop special skills among the students while completing their regular B.A./B.Sc. course, in minimum fees. Translational Proficiency, Indian Classical Music, Agriculture Processing and Food Engineering, Soil and Water Analysis.

Placement and Campus Recruitment

Many Campus recruitment programmes have been organized for the final year undergraduate students. The well known national and multi-national companies like Venkies India Pvt. Ltd, Syntel India, ICICI Bank, Indeejo have recruited our college students and many of them are at the top or managerial positions.

Research Centers and Research Places

Doctoral or Post-Doctoral research is run by many departments like Physics, Chemistry, Zoology, Microbiology, Hindi, Marathi, Geography and English.

Institution's Core Values of Education

- Excellence in higher education** - The institute is striving continuously for excellence in academic, research and extension activities.
- Skill and Human resource development for nation building** - The college faculty is consistently and honestly attempting to develop youth for nation building.
- Inclusiveness and Respect** - We believe that the inclusiveness and respect to all lead to harmony.
- Creation and transfer of knowledge** - This is of prime preference so as to achieve 100 % literacy, professional enrichment, communication skills for the development of society.
- Good Governance and decentralization** - The suggestions from all the stakeholders are highly appreciated and taken into account for the development. The decisions are taken by the involvement of students and faculty.
- Social awareness and commitments** - Social awareness and responsibility are inculcated among the students and faculty by their active engagement in different programs.
- Life skills and value education** - Life skills and value education are cultivated among the students through the different courses, organization and celebration of different programs and festivals.
- Women Empowerment** - Different programs are organized for "women empowerment: the key for nation development".
- National integration and humanity** - Different activities are conducted to imbibe the National integration and human values among the students, society and faculty.
- Adoption of New Technology** - The new technologies are introduced and made available to update and develop techno-friendliness.
