**Department of Chemistry**  
**Report on State Level Seminar**  
**Chemistry the Mirror of Industry (CMI-2018)**

A state level seminar "Chemistry the Mirror of Industry (CMI-2018) was organized by the Department of chemistry in collaboration with IQAC, Shri Shivaji Mahavidyalaya Barshi On 30 June 2018 which was supported by DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi and Solapur University Chemistry Teachers Association.

The Chief guest of the inaugural function was Prof. Dr. P. P. Wadgaonkar, National Chemical Laboratory, Pune and chaired by Principal Dr. P. R. Thorat. A preparatory speech was given by Dr. T. N. Lokhande emphasizing the need of chemistry in industry and human life.

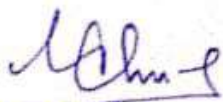

Resource persons from recognized Institutes, Universities and Industry were invited for delivering the talks.

- Guest Speaker of first session was Prof. Dr. P. P. Wadgaonkar, National Chemical Laboratory, Pune. He highlighted application and utility of polymer chemistry in industry.
- Speaker of the second session was Prof. Dr. G. S. Rashinkar, Department of Chemistry, Shivaji University, Kolhapur who is the eminent alumni of this college.
- In third session, Mr. Madan Shinde, Senior Manager, Emcure Pharmaceuticals, Pune (alumni of this college) commented on Pharma Industry related curriculum and opportunities to student in pharma industry.
- While in last session, Dr. P. V. Anbhule, Department of Chemistry, Shivaji University, Kolhapur who is the eminent alumni of this college stressed Industrial necessity of chemistry.
- On this occasion, Dr. S. S. Vibhute of our chemistry department was felicitated for his superannuation.

One hundred and fifty (150) delegates and participants from various institutes and college were participated in the seminar. It was an outstanding event.

  
**Head**  
Department of Chemistry  
Shri Shivaji Mahavidyalaya  
Barshi-413411

  
**PRINCIPAL**  
Shri Shivaji Mahavidyalaya,  
Barshi, Dist. Solapur-413411

**About the Institution:** Late Karmveer Dr. Mamasahab Jagdale established Shri Shivaji Shikshan Prasarak Mandal, Barshi in 1934. The institution aims at imparting liberal and vocational education up to university level embodying social, cultural, agricultural, scientific, commercial and industrial education to the downtrodden and rising generation of India. The sanstha runs 7 colleges, 14 high schools, 4 primary and 2 pre-primary schools including two boardings and one well equipped hospital with 300 beds.

**About the college:** Shri Shivaji Mahavidyalaya, Barshi is one of the leading colleges in Maharashtra. The area of the college premises is 10.67 acres. It is affiliated to Solapur University, Solapur. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examination as well as in extra-curricular activities. Shri Shivaji Mahavidyalaya, Barshi is full-fledged Arts and Science college having 19 under graduate departments, 8 post graduate departments and 10 recognized research centers. **Recently Maharashtra State government and Solapur University Solapur have approved M. Sc. Analytical Chemistry and M. Sc. Nano-Physics to our college and these courses will be started from 2018-19.** The college has well developed junior, MCVC and bifocal wing. Total student strength of college is about 5000. College has total 164 teaching staff and 75 non-teaching staff. Recently 26 research projects have been granted by UGC. We have highly qualified staff and well equipped laboratories. In 2012 NAAC Bangalore has re-accredited the college with 'A' Grade. Solapur University Solapur has also awarded the college 'A' grade with second rank (273 marks out of 300) in academic and administrative audit conducted by the university. The College has been approved as "Star College by DBT, MST, New Delhi" and "Community College by UGC, New Delhi". College has also secured the position in rank band 101-150 in NIRF ranking 2017.

**About the Department:** Our department is one of the leading departments in the college. The faculty of the department is actively engaged in research and extension activities. Many of our alumni have secured significant positions in academic and research institutions as well as in industries and administration. Alumni have also developed a continuous pool and linkage with department through guest lecture series.

**About the Seminar:** This seminar will be a very promising platform where the students, industrialists, academicians, researchers and scientist will discuss different aspects of chemistry and industry. It will also highlight the utility of “chemistry and allied industries in day to day life”. The seminar also aims at fruitful interactions between the industrialists and academicians which will help to cater the need of skilled human resources for future. The frontiers in chemical sciences and industrial science will also be discussed.

**Department of Zoology**

**Report on One day workshop**

**Title of Workshop: One Day Work shop on “Entrepreneurship in Aquaculture”**

**Date 18/08/20018**

The Department of Zoology, in association with the DBT Star Status Scheme, organized a one-day workshop on “Entrepreneurship in Aquaculture” on 18th August 2018. The workshop was designed for entrepreneurs, researchers, and students, focusing on the introduction of entrepreneurship and recent innovations in aquaculture. The event aimed to provide participants with knowledge, skills, and networking opportunities.

The workshop began with an introduction by Dr. Gurme V.M., Coordinator of the DBT Star Status Scheme, who explained the aims and objectives of the workshop. In the first session, Prof. Dr. Bhilave M.B. from the Department of Zoology, Shivaji University, Kolhapur, highlighted the growth prospects and opportunities in the aquaculture industry. The second session was led by Dr. Somnath Yadav, Head of the Department of Fishery Science, Udgir, who focused on modern technological innovations in aquaculture. Dr. Yadav provided detailed information on initial investment, profitability, and government subsidies for establishing aquaculture businesses. A total of 73 participants attended the workshop.

The Presidential address was delivered by Principal Prof. Dr. Thorat P.R., who encouraged all participants to consider entrepreneurship in the field. The workshop concluded with a vote of thanks by Dr. Salunkhe S.S., Head of the Department of Zoology, who expressed gratitude to the trustees of the institution, the college principal, and the teaching and supporting staff for their efforts in organizing the workshop.

This workshop proved to be beneficial for all participants, providing valuable insights into developing and managing agro-based businesses in aquaculture.

**Report on One day workshop**

**Title of Workshop One Day Work shop on “Basics of Intellectual Property act and filing of Patent”**

**Date of Workshop conducted: 05/12/20018**

The Department of Zoology and IQAC of the college organized a one-day workshop on “Basics of Intellectual Property and Patent Filing” in collaboration with the DBT Star College Status Scheme on 5th December 2018. The workshop was designed for research students and teachers to create and enhance awareness about IPR, copyright, and related topics. It also aimed to strengthen the learning and understanding of intellectual property among teachers and students.

The workshop covered various themes, including types of patents, ownership, licensing, and commercialization of patents. A total of 68 participants attended the workshop.

The event began with a preliminary speech by Dr. Pawar S.D., IQAC Coordinator, who outlined the aims and objectives of the workshop. In the first session, Mrs. Archana Joshi provided insights into protecting innovations and understanding intellectual property rights. The second session was conducted by Mr. Ashutosh Prachand, who guided participants through the patent filing procedures.

The Presidential address was delivered by our Principal, Dr. Thorat P.R., who encouraged the faculty to actively pursue patent applications. The workshop concluded with a vote of thanks proposed by Dr. Salunkhe S.S., Head of the Department of Zoology.

We extend our sincere gratitude to the trustees of the institution, our Principal Dr. Thorat P.R., and all departmental faculty members and supporting staff for their valuable guidance and support in organizing the workshop.

**Report on “Workshop on E-content Development”**

**2018-19**

The Department of Physics, in collaboration with Ahmednagar I-Institute, organized a Workshop on E-content Development on 24th March 2019, with 85 participants in attendance. The workshop was inaugurated by our Institute President, Dr. B. Y. Yadav Saheb, who delivered a keynote speech emphasizing the growing importance of digital tools in education. The first session highlighted the significance of e-content in modern teaching, setting the stage for the practical sessions that followed. In the second session, Mr. Bhushan Kulkarni provided hands-on training on tools and techniques such as Moodle and Camtasia for content creation. Mr. Eknath Kore also supported the session, assisting participants in exploring various video recording and capturing systems essential for developing high-quality e-content, many of which were later purchased by the attendees.

The third session focused on best practices for creating interactive e-learning modules and strategies for effective content delivery. Participants engaged in active discussions and shared their experiences. The workshop concluded with a valedictory function, presided over by our college Principal, Prof. Dr. P. R. Thorat, who also delivered closing remarks. The event wrapped up with a Q&A session, where participants discussed practical challenges and received valuable insights from the resource persons.

Overall, the workshop was well-received, with attendees appreciating the hands-on approach and practical insights offered throughout the sessions.

### **Report on Zoo-festival**

#### **Date of Zoo-festival conducted: 01/02/2019**

On the occasion of the 116th Birth Anniversary of Late Karmveer Dr. Mamasahab Jagdale, the Department of Zoology and the Karmveer Nature Club organized “Zoo-Fest” on 1st January 2019. The event saw enthusiastic participation from more than 250 students.

Five different competitions were organized for students, including Model Making, Rangoli, Poster, Sketch, and Wildlife Photography competitions. The key requirement was that all topics had to be related to zoology. The first session of “Zoo-Fest” featured an address by Shri Anna Gophane, Assistant Professor at Shivaji University, Kolhapur, who delivered an informative lecture on “Marine Diversity.” The event was inaugurated by the chief guest, Shri Anna Gophane, along with Dr. B.Y. Yadav, President of S.S.P.M Barshi; Shri Jaykumar Shitole, President of the Cultural Department, S.S.P.M Barshi; Prof. Dr. Thorat P.R., Principal of Shri Shivaji Mahavidyalaya, Barshi; and Dr. Salunkhe S.S., Head of the Department of Zoology. Teachers and students from various high schools visited the fest and were impressed by the diverse range of activities. They interacted with the college students and were inspired by the zoological-themed models, rangolis, posters, and sketches on display.

Mrs. Sadhana Tambe and Shri Anna Gophane evaluated the entries in the Model, Poster, Rangoli, Sketch, and Wildlife Photography competitions. The valedictory function was held at 4:00 p.m., with Dr. Karad D.D., Associate Professor in the Department of Microbiology at Shri Shivaji Mahavidyalaya, Barshi, serving as the chief guest. Students

were honored with First, Second, Third, and Consolation prizes in each event, which were presented by the esteemed guests.

The event was attended by HOD of Zoology Dr. Salunkhe S.S., Dr. Gavhane U.V., Dr. Chati R.S., Dr. Gaikwad A.M., Dr. Fartade A.M., Mr. Pawar N.A., Mrs. Jadhav S.S., Mrs. Pawar S.C., Shri Mane R.T., Shri Raut S.V., and Shri Raut S.A., who contributed to the success of the fest.

### **Event conducted during Zoo-festival Workshop**

1. Zoological model: No. of student which are participated in this event 36
2. Rangoli: No. of student which are participated in this event 48.
3. Poster presentation: No. of student which are participated in this event 49.
4. Sketch: No. of student which are participated in this event 49.
5. Wild Life photography: No. of student which are participated in this event 27.

## Academic Year 2018-19

### Report on Workshop on Hands on Practice on Automatic PCB Making Machine ( 23/02/2019 )

Training of PCB Making Machine

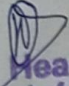

Lecture during workshop

23/02/2019

#### ***Report on "One day Workshop on Hands-on Practice on Automatic PCB making Machine"***

*A one-day workshop was organized on 23/02/2019 to train the students of Electronics Department for "Hands-on Practice on Automatic PCB Making Machine". This training helped the students to play with a CNC machine which requires special skills to operate it. The machine requires initial manual settings for proper mechanical motions otherwise it may result into damage of the drilling bits. So all the requirements to start using the machine were explained by the Trainer Dr. Vaibhav Bacchuwar and he demonstrated the actual settings to be performed and the computer interface and the manual settings to be performed in the machine software. This hands on training gave the students to*

handle a CNC machine widely used in mechanical industries having Electronic and Computer based drive. 23 students of B.Sc.II and B.Sc. III and the faculty members participated in the one-day workshop. The certificates were distributed amongst the student participants with the auspicious hands of Trainer and Head of Electronics Department.

**Report on State Level Workshop**  
**Applications of Chemistry in Forensic Science (ACFS-2019)**

A state level workshop "Applications of Chemistry in Forensic Science" (ACFS-2019) was organized by the Department of chemistry on 21 February 2019 under the auspices of DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi and Solapur University, Solapur.

The Chief guest of the inaugural function was Principal Dr. P. R. Thorat Shri Shivaji Mahavidyalaya, Barshi and chaired by Dr. T. Lokhande, Head, Department of Chemistry. A preparatory speech was given by Dr. S. H. Gaikwad highlighting the need of chemistry in Forensic Science.

Resource persons from Government Institute of Forensic Science, Aurangabad were invited for delivering the talks.

- Guest Speaker of first session was Dr. S. G. Narwade, Government Institute of Forensic Science, Aurangabad. He highlighted about chemistry in Forensic Science.
- Speaker of the second session was Prof. Dr. D. D. Gaikwad, Government Institute of Forensic Science, Aurangabad.
- In third session, Dr. Rajesh Kumar, Government Institute of Forensic Science, Aurangabad commented on various applications analytical techniques in Forensic Science.
- This function was anchored by Mrs. R. S. Jangale and Mrs. Ashwini Gawali
- At the conclusion, vote of thanks was expressed by Dr, V. M. Gurame.

One hundred and sixty (160) delegates and student participant ant were participated in the seminar. Such kind of workshop on Forensic Science was first time organized under Solapur University area by our college.

**About the Institution:** Late Karmveer Dr. Mamasahab Jagdale established Shri Shivaji Shikshan Prasarak Mandal, Barshi in 1934. The institution aims at imparting liberal and vocational education up to university level embodying social, cultural, agricultural, scientific, commercial and industrial education to the downtrodden and rising generation of India. The sanstha runs 7 colleges, 14 high schools, 4 primary and 2 pre-primary schools including two boardings and one well equipped hospital with 300 beds.

**About the college:** Shri Shivaji Mahavidyalaya, Barshi is one of the leading colleges in Maharashtra. The area of the college premises is 18 acres. It is affiliated to Solapur University, Solapur. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examination as well as in extra-curricular activities. Shri Shivaji Mahavidyalaya, Barshi is full-fledged Arts and Science college having 19 under graduate departments, 8 post graduate departments and 10 recognized research centres. **Recently Maharashtra State government and Solapur University Solapur have approved M. Sc. Analytical Chemistry and M. Sc. Nano-Physics to our college and these courses will be started from 2018-19.** The college has well developed junior, MCVC and bifocal wing. Total Student strength of college is about 5000. College has total 114 teaching staff and 75 non-teaching staff. Recently 26 research projects have been granted by UGC. We have highly qualified staff and well equipped laboratories. In 2012 NAAC Bangalore has re-accredited the college with 'A' Grade. Solapur University Solapur has also awarded the college 'A' grade with second rank (273 marks out of 300) in academic and administrative audit conducted by the university. The College has been approved as "Star College by DBT, MST, New Delhi" and "Community College by UGC, New Delhi". College has also secured the position in rank band 101-150 in NIRF ranking 2017. The College is awarded with Best College Award by Solapur University in 2018.

**About the Department:** Our department is one of the leading departments in the college. The faculty of the department is actively engaged in research and extension activities. Many of our alumni have secured significant positions in academic and research institutions as well as in industries and administration. Alumni have also developed a continuous pool and linkage with department through guest lecture series.

**Aims of the Workshop:** The workshop aims,

- To motivate budding chemists with the opportunities in forensic sciences
- To make awareness about the different techniques in forensic investigation
- To provide the platform where the students, forensic experts and academicians will discuss different aspects of chemistry and forensic science.
- It will also highlight the societal applications of chemistry and forensic science
- To through a light on frontiers in chemical sciences and forensic science.
- To create academic linkage with the forensic science institutes.
- To imbibe the cyber security among the participants.

### Report on One Day Workshop on

### Career in Nuclear Science

To develop interest about the nuclear science among the UG and PG students of the rural area like Barshi, we have organized **One Day Workshop on Career in Nuclear Science**. The workshop was organized by Department of Chemistry and IQAC, Shri Shivaji Mahavidyalaya Barshi On 27 September 2019 which was supported by DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi.

The Chief guest of the inaugural function was Dr. Gulshan Relhan, Ex-Scientist, Babha Atomic Research Centre, Mumbai and chaired by Principal Dr. P. R. Thorat. A preparatory speech was given by Dr. T. N. Lokhande, Head, Department of Chemistry highlighting the need of nuclear science in human life.

The chief guest Dr. Gulshan Relhan put insights on various applications of nuclear chemistry such as nuclear chemistry for agriculture, medicine, medical diagnosis, nuclear energy for sustainable development, analytical tracers techniques, radiation processing of materials, space exploration etc. This function was anchored by Mrs. R. S. Jangale and at the conclusion, vote of thanks was expressed by Dr. A. B. Shaikh.

More than one hundred students of B.Sc. (Chemistry), B.Sc. (Physics), M.Sc. (Chemistry) and M.Sc. (Physics) were participated in the workshop. The workshop was fruitful to the students.
