Department of Physics
Report on “Physica Festival”

2019-20

The Department of Physics organized the ‘Physica Festival’ on 25th January 2020, with 97 participants from various schools and colleges. The event featured three sessions designed to promote hands-on learning and enthusiasm for physics. In the first session, the festival was inaugurated by the chief guest Dr. R. S. Patil, Vivekanand College, Kolhapur, setting an exciting tone for the day. The second session was packed with demonstrations of physics experiments and research-related practicals. Our students and faculty took the lead in explaining and conducting these experiments. Participants were highly engaged, asking numerous questions and interacting with the demonstrators, which added to the dynamic learning experience. Both students and faculty were praised for their clear explanations and hands-on approach. The third session wrapped up the event with a prize distribution ceremony, recognizing participants for their involvement and enthusiasm. The festival concluded with a vote of thanks, expressing gratitude to all who contributed. The event was a great success, with attendees enjoying and learning from the interactive demonstrations.

Report on “Workshop on Disaster Management and Laboratory Safety”

2019-20

The Department of Physics organized a Workshop on Disaster Management and Laboratory Safety on 12th February 2020, attracting 227 participants from various institutions. The workshop aimed to enhance awareness of disaster preparedness and laboratory safety protocols. The event began with an inauguration ceremony, presided over by the college Principal, Dr. Prakash Thorat, who emphasized the importance of safety measures in academic environments. Dr. S.M. Kabbur delivered the prefatory speech, addressing the audience and recognizing the contributions of Prof. V.B. Patil. During the second session, resource persons Dr. G.S. Grover and Mr. Makrand Kulkarni provided detailed instructions on disaster management, followed by a live demonstration on lab safety protocols, covering essential practices like chemical handling, emergency procedures, and the use of protective equipment.

The interactive demonstration allowed participants to engage with the material practically, reinforcing the day's learnings. Prof. D.S. Revadkar, the institute's treasurer, also attended the event, underscoring the college's commitment to safety and preparedness. The final session was a valedictory function, with Dr. R.R. Kothavale expressing gratitude to the organizers, resource persons, and participants for their contributions. The workshop concluded with positive feedback, highlighting the practical importance of the knowledge shared. Prof. Rahul Palke anchored the event, ensuring a smooth flow of sessions and interactions throughout the day. Overall, the workshop was a resounding success, equipping attendees with critical skills for both disaster management and lab safety.

BROCHURE OF WORKSHOP

Dear friends,

It gives us immense pleasure to invite you to participate in Stat Level workshop on Lab safety and disaster management to be held on 25th February 2020, organized by Department of physics, Shri Shivaji Mahavidyalaya, Barshi in collaboration with DBT-STAR College Scheme and Panyashlok Ahilyadevi Holkar Solapur University, Solapur.

The workshop is practically meant for undergraduate students, post graduate student, teachers, enthusiast researches, industry personal and all students of science subjects. The main objective of workshop is to create awareness of Laboratory safety and also manage any disasters which come as hurdles in life.

About the college: The college has seen reaccredited with A shade by NAAC with score 3.14 and is a full-pledged college in this rural part of Solapur district.

College stands up among the 150 Colleges in India under National Intentional Ranking Framework (NIRF) declared by HRD ministry.

About Physics Dept.: Physics Dept. is one of the founder departments of the college with well qualified Staff and well equipped Lab. From the year 2019 M.Sc. (Nanophysics) has been introduced as post graduate course for the students of rural areas in and around Barshi.

Material research Lab is installed for Ph.D Students. Sophisticated instruments like He-Ne Laser, Four- probe resistivity setup, G.M. Counter, Spin Coating Setup Michelson Interferometer, Millikan's oil drop Expt are in use in the dept. Two minor research projects are Completed.

Subject:- Resource person for State Level workshop on "Lab Safety and Disaster Management"

R/Sir,

We are immensely happy to bring to your kind notice that we are conducting State Level Workshop for UG and PG Science Students on "Lab Safety and Disaster Management". We will be happy and also pleased to have you as a Resource Person and also Students will be benefited by your long and valuable experience as an expert in safety training program.

Kindly accept our invitation & oblige.

Thanking you,

Your's faithfully

Department of Chemistry

Report on Pharma Workshop by

Sparksprout Pharma Training Institute

A Pharma Workshop was organized by the Department of chemistry in collaboration with by Sparksprout Pharma Training Institute, Solapur and IQAC, Shri Shivaji Mahavidyalaya Barshi on 17 February 2020 which was supported by DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi.

The resource persons of the workshop were Mr. Sachin M. Patil and Mr. Kalidas Masalkar, Sparksprout Pharma Training Institute, Solapur and chaired by Principal Dr. P. R. Thorat. A preparatory speech was given by Dr. T. N. Lokhande highlighting the need of phrama training for career in pharmaceutical industries.

Trainer Mr. Sachin Patil emphasized various points regarding pharma industries like change control, deviations, CAPA, laboratory incidence, and market complaints. While another trainer Mr. Kalidas Masalkar was pointed on pharmaceutical development, quality risk management, pharmaceutical quality systems, good documentation practices, good chromatographic practices

One hundred and forty (140) students of B. Sc.-III (Chemistry) and M.Sc (Analytical Chemistry) were participated in the workshop. This training can lead to many career options, including pharmaceutical companies, research and development, quality control, and healthcare management.

About the Institution: Late Karmveer Dr. Mamasahab Jagdale established Shri Shivaji Shikshan Prasarak Mandal, Barshi in 1934. The institution aims at imparting liberal and vocational education up to university level embodying social, cultural, agricultural, scientific, commercial and industrial education to the downtrodden and rising generation of India. The sanstha runs 7 colleges, 14 high schools, 4 primary and 2 pre-primary schools including two boardings and one well equipped hospital with 300 beds.

About the college: Shri Shivaji Mahavidyalaya, Barshi is one of the leading colleges in Maharashtra. The area of the college premises is 10.67 acres. It is affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examination as well as in extra-curricular activities. Shri Shivaji Mahavidyalaya, Barshi is full-fledged Arts and Science college having 19 under graduate departments, 8 post graduate departments and 10 recognized research centers. **Recently Maharashtra State government and Punyashlok Ahilyadevi Holkar Solapur University Solapur have approved M. Sc. Analytical Chemistry and M. Sc. Nano-Physics to our college and these courses will be started from 2018-19.** The college has well developed junior, MCVC and bifocal wing. Total student strength of college is about 5000. We have highly qualified staff and well equipped laboratories. In 2012 NAAC Bangalore has re-accredited the college with 'A' Grade. Solapur University Solapur has also awarded the college 'A' grade with second rank (273 marks out of 300) in academic and administrative audit conducted by the university. The College has been approved as "Star College by DBT, MST, New Delhi" and "Community College by UGC, New Delhi". College has also secured the position in rank band 101-150 in NIRF ranking 2017.

About the Department: Our department is one of the leading departments in the college. The faculty of the department is actively engaged in research and extension activities. Many of our alumni have secured significant positions in academic and research institutions as well as in industries and administration. Alumni have also developed a continuous pool and linkage with department through guest lecture series.

About the Workshop: This workshop will be a very promising platform where the students, industrialists, academicians, researchers and scientist will discuss different aspects of chemistry and industry. It will also highlight the utility of “chemistry and allied industries in day to day life”.The workshop also aims at fruitful interactions between the industrialists and academicians which will help to cater the need of skilled human resources for future. The frontiers in chemical sciences and industrial science will also be discussed.

Respected Sir,

Myself Kalidas Masalkar from sparksprout pharma training institute, Solapur.
We are requesting you to provide permission for Pharma workshop at your college on Monday 17/02/2020.
As per telephonic discussion we will impart training in below mentioned topics by considering current requirements in Pharma Industry.

> We will impart theoretical as well as practical knowledge about the major instrument like HPLC, GC and KF Titrator etc.

> We will impart the training on QC as well as QA topics like-

1. Change Controls.
2. Deviations
3. CAPA
4. Laboratory incidents
5. OOS
6. Market Complaints
7. Pharmaceutical Development
8. Quality Risk Management
9. Quality system regulations
10. Pharmaceutical Quality System
11. Good Documentation Practices.
12. Good Chromatographic Practices etc.

Sparksprout Technical Team is as below.

1. Sachin M Patil (10+ Yrs. Experience in Quality)
2. Mr. Kalidas D Masalkar (9+ Yrs. Experience in Quality)
3. Mr. Ritesh Taralkar (10+ Yrs. Experience in Quality)
4. Mr. Rohith K P (9+ Yrs. Experience in Quality)
5. Mr. Ganesh Khandagale (10+ Yrs. Experience in Quality)
6. Madhavaji (10+ Yrs. Experience in IT)

Trainer Name: Sachin Patil

Training Time: at 11:00AM

Duration: 3 to 4 hrs.

To attend this training session the following candidates are eligible.

1. B.Sc. (Chemistry/Microbiology)
2. M.Sc. I & II (Chemistry/Microbiology)
- *3. Previous year passing candidates

So kindly give the permission to impart the training at your college on date 17/02/2020 (Day: Monday)

Regards and Thanks

Kalidas Masalkar

Technical Director

SHRI SHIVAJI MAHAVIDYALAYA BARSHI
Department of History
Report on One Day Workshop-2020

“Political and Social contribution of Loknete Balasaheb Desai in Maharashtra”

A One-day workshop was organized by the Department of History, Shri Shivaji Mahavidyalaya, Barshi in Collaboration with Loknete Balasaheb Desai Study centre, Shivaji University, Kolhapur on “Political and Social contribution of Loknete Balasaheb Desai in Maharashtra” On 27th January, 2020. The Chief Guest of the inauguration function was Prof. Dr. Arun Bhosale, Ex. Head, Department of History, Shivaji University, Kolhapur. He delivered a keynote address on "Political and social thoughts of Balasaheb Desai". Honourable Principal Dr. Prakash Thorat of Shri Shivaji Mahavidyalaya, Barshi chaired as the president of the function.

A welcome speech was delivered by Principal. Dr. P. R. Thorat on social work of Loknete Balasaheb Desai in Maharashtra. Various resource persons from recognized Institutes and Universities were called for delivering the talks on Loknete Balasaheb Desai Education, cooperative, Political, Social thoughts. Ex. Principal Dr. Vilas Powar, D. D. Shinde Sarkar College, Kolhapur, delivered a talk on Cooperative work of Loknete Balasaheb Desai". Dr. V.G. Panaskar, Member of Advisory Committee, Loknete Balasaheb Desai Study centre, Shivaji University, Kolhapur and Dr. Avanish Patil, Coordinator, Loknete Balasaheb Desai Study centre, Shivaji University, Kolhapur addressed the participants with their profound knowledge on the subject.

210 delegates and participants from various institutes and colleges of Solapur University, Solapur, participated in the workshop. Dr. Avanish Patil, Coordinator, Loknete Balasaheb Desai Study centre, Shivaji University, Kolhapur addressed the function with valedictory speech and Principal. Dr. P. R. Thorat briefed this workshop to the participants. Prof. Dr. V. B. Waghmare Head, Department of History, expressed vote of thanks. It was a grand success.

Department of Chemistry

Report on Seminar on

“Techniques in Pharmaceutical Industries and Job Opportunities”

To inculcate interest of chemistry students in pharmaceutical and chemical industries, a one-day seminar on, “Techniques in Pharmaceutical Industries and Job Opportunities”, was organised for UG and PG students of chemistry. A seminar was organized by the Department of chemistry and IQAC on 20 February 2020 which was supported by DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi.

The resource persons of the seminar was Mr. Popat Baraskar, General Manager, Quality, Micro Labs Ltd., Bangalore and chaired by Principal Dr. P. R. Thorat. A preparatory speech was given by Dr. T. N. Lokhande stressed the necessity of learning techniques in pharmaceutical Industries.

Mr. Popat Baraskar highlighted various ideas about pharmaceutical industries like Pharmacy practice, Drug development, Sales and marketing, Pharmacovigilance, Analysis and testing, Regulatory training, Food and Drug Administration (FDA) regulations, Good manufacturing practice and Investigational medicinal products. He also explored various job opportunities for chemistry students in pharmaceutical industries.

One hundred and forty (117) students of B. Sc.-III (Chemistry) and M.Sc (Analytical Chemistry) were participated in the seminar. This seminar was very fruitful and much beneficial for students for their carrier. This workshop was anchored by Mrs. R. S. Jangale and at the conclusion, vote of thanks was expressed by Dr. D. KJamale.

About the Institution: Late Karmveer Dr. Mamasahab Jagdale established Shri Shivaji Shikshan Prasarak Mandal, Barshi in 1934. The institution aims at imparting liberal and vocational education up to university level embodying social, cultural, agricultural, scientific, commercial and industrial education to the downtrodden and rising generation of India. The sanstha runs 7 colleges, 14 high schools, 4 primary and 2 pre-primary schools including two boardings and one well equipped hospital with 300 beds.

About the college: Shri Shivaji Mahavidyalaya, Barshi is one of the leading colleges in Maharashtra. The area of the college premises is 10.67 acres. It is affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examination as well as in extra-curricular activities. Shri Shivaji Mahavidyalaya, Barshi is full-fledged Arts and Science college having 19 under graduate departments, 8 post graduate departments and 10 recognized research centers. **Recently Maharashtra State government and Punyashlok Ahilyadevi Holkar Solapur University Solapur have approved M. Sc. Analytical Chemistry and M. Sc. Nano-Physics to our college and these courses will be started from 2018-19.** The college has well developed junior, MCVC and bifocal wing. Total student strength of college is about 5000. We have highly qualified staff and well equipped laboratories. In 2012 NAAC Bangalore has re-accredited the college with 'A' Grade. Solapur University Solapur has also awarded the college 'A' grade with second rank (273 marks out of 300) in academic and administrative audit conducted by the university. The College has been approved as "Star College by DBT, MST, New Delhi" and "Community College by UGC, New Delhi". College has also secured the position in rank band 101-150 in NIRF ranking 2017.

About the Department: Our department is one of the leading departments in the college. The faculty of the department is actively engaged in research and extension activities. Many of our alumni have secured significant positions in academic and research institutions as well as in industries and administration. Alumni have also developed a continuous pool and linkage with department through guest lecture series.

About the Seminar: This seminar will be a very promising platform where the students, industrialists, academicians, researchers and scientist will discuss different aspects of chemistry and industry. It will also highlight the utility of “chemistry and allied industries in day to day life”. The seminar also aims at fruitful interactions between the industrialists and academicians which will help to cater the need of skilled human resources for future. The frontiers in chemical sciences and industrial science will also be discussed.

Report on

Science Fair-2020 for VII, IX and X Students

To inculcate scientific attitude among college and high school students, Department of chemistry in collaboration with IQAC, Shri Shivaji Mahavidyalaya Barshi was organized Science Fair-2020 for VII, IX and X Students of various high schools of Barshi city on 13 and 14 February 2020 which was supported by DBT Star College scheme.

The function was inaugurated by Dr. B. Y. Yadav, President, Shri Shivaji Shikshan Prasarak Mandal, Barshi and Mr. J. C. Shitole, Treasurer, Shri Shivaji Shikshan Prasarak Mandal, Barshi and chaired by Principal Dr. P. R. Thorat. A preparatory speech was given by Dr. T. N. Lokhande, Head, Department of Chemistry.

- A science fair is a great tool that engages students in learning new experiments. It develops in them the curiosity to learn more which and also provides a platform for the students to use their scientific knowledge. It also allows students to work together in groups and learn from each other.
- In this Science fair, undergraduate students of our college demonstrated various high school level science experiments to VII, IX and X Students of many high schools of Barshi city.
- Undergraduate students from chemistry, botany, zoology, microbiology, physics and electronics department were actively participated as a demonstrator.
- About 1450 students of VIII, IX and X standard from various schools like Maharashtra Vidyalaya, Barshi, Jijamata Vidyamandir, Barshi, Sulakhe high school, Barshi, Sadhana Kanya Prashala, Barshi etc were benefited with this Science Fair-2020. It was an outstanding event.

Report on One Day Workshop on

Lab Safety

To aware the students, teaching and laboratory staff regarding laboratory safety, Department of Chemistry and IQAC, Shri Shivaji Mahavidyalaya Barshi was organized One Day Workshop on Lab Safety on 08 February 2020 which was supported by DBT Star College scheme, Shri Shivaji Mahavidyalaya, Barshi.

The resource person for the workshop was Dr. G.S. Grover, Chief Scientist (Scientist G), National Chemical Laboratory, Pune and chaired by Dr. B. Y. Yadav, President, Shri Shivaji Shikshan Prasarak Mandal, Barshi. A preparatory speech was given by Dr. T.N. Lokhande.

Dr. Grover delivered his speech on laboratory safety measurements. In his speech, he aware about personal protective equipment, personal hygiene, avoiding direct contact with chemicals, not eating or drinking in the laboratory, storage and disposal of laboratory waste, risk assessment, situational awareness, emergency procedures, equipment maintenance, work practices etc. He also demonstrated the use of fire extinguisher, precautions during LPG gas cylinder handling, handling of hazardous chemicals such as concentrated acids, explosive chemicals like alcohols and ethers. This workshop was anchored by Dr. V.M. Gurame and at the conclusion, vote of thanks was expressed by Mr. S.H. Patil.

About 117 students, teaching and laboratory staff were participated in the workshop. The workshop was very informative for many of us and all the participants were aware about laboratory safety.
