Workshop on Voice Care
Report dated 12 March 2021**

A workshop on voice care was conducted in an online mode on 12/03/2021 at 4 pm. The Chief Guest Hon. Mrs. Sunita Tarapore, Nivedika Akashvani Mumbai, while being the president of the programme, Principal of the college Dr. Prakash Thorat. In her guidance speech, Tarapore Madam explained in detail what to be careful about while speaking. The production of our voice takes place through the mouth and other organs in the mouth play an important role in assisting it. She said that our voice is a gift of nature but we can shape it with the right tools. Breathing is important in the voice. It is necessary to regulate the breath properly. Sound transmission takes place through our brain. Nothing can happen without the command of the brain. So, the brain is important for sound. If you work hard to get a good voice, you can definitely change your voice. Regarding this, what should be our diet, how to pronounce Sanskrit people, i.e. our voice will change in detail. When you speak, start with a low volume and then gradually increase the volume so as not to strain your vocal cords. As a result, your voice can sustain continuously. After dust and some other elements enter our throat, we get diseases like cold and our voice changes.

In the presidential speech Dr. Prakash Thorat, Principal of the college said that teachers should have consecutive hours. They have to talk continuously. On different subject's voice. For this reason, after speaking for a while, if you give the sur yantra some rest, the disturbance will be reduced and the consistency of the voice can be maintained. In order to have a good voice, one should stay away from addiction. Tobacco, Gutkha and cold drinks should be avoided. He explained that if we keep this lifestyle, our voice will survive. Was made by Prof. Dr. Sopan Mohite proposed an introductory speech. The Chief Guest Prof. Dr. By Somnath Yadav. Proposed a vote of thanks Dr. Vishnu Waghmare. Prof. Dr. Vashishtha Gurame and Prof. Dr. Ravikant Shinde worked hard for the success of the workshop.

"आवाजाची काळजी घेण्याबाबतची"
कार्यशाळा
अहवाल

दिनांक:- १२ मार्च, २०२१

आवाजाची काळजी घेण्याबाबतची कार्यशाळा दि.१२.०३.२०२१ रोजी दुपारी ०४.०० वाजता ऑनलाईन घेण्यात आली. या कार्यशाळेत मार्गदर्शन करण्यासाठी प्रमुख पाहुणे मा.श्रीमती.सुनिता तारापुरे, निवेदिका, आकाशवाणी, मुंबई हया होत्या., तर अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ.प्रकाश थोरात होते. आपल्या मार्गदर्शनपर भाषणात तारापुरे मॅडम यांनी बोलताना काय काळजी घ्यावी हे सविस्तर सांगितले. आपल्या आवाजाची निर्मिती ही मुखातून होत असते. त्याला सहाय्यभूत करणारे तोंडातील इतर अवयवांची भूमिक महत्त्वपूर्ण असते.

आपला आवाज हा निसर्गदत्त आहे. परंतु त्याला आपण योग्य साधनेच्या सहाय्याने पैलू पाडता येतात. आवाजामध्ये श्वास हा महत्त्वाचा आहे. श्वासाचे नियमन योग्य पध्दतीने होणे गरजेचे आहे. आवाजाचे चलन हे आपल्या मेंदूतून होत असते, मेंदूच्या आदेशाशिवाय आपल्या हातून कोणतीही घटना घडू शकत नाही म्हणून मेंदू हा आवाजासाठी महत्त्वपूर्ण आहे.

आवाज चांगला येण्यासाठी आपण जर परिश्रम घेतले तर निश्चितच आपल्या आवाजामध्ये बदल करता येतो. त्यासंबंधी आपला आहार, पथ्य कशा प्रकारचे असावेत, संस्कृत श्लोकांचे उच्चारण कसे करावे, म्हणजे आपल्या आवाजामध्ये बदल होईल हे सविस्तर सांगितले. आपण बोलत असताना सुरुवात हळू आवाजाने करावी व नंतर हळू हळू आवाज वाढविल्यास आपल्या स्वर यंत्रावर ताण पडत नाही. परिणामी आपला आवाज सलगपणे टिकून राहू शकतो.

कोरोनाने आपणाला मास्कची सवय लावली आहे हे उत्तमच आहे. धूळ आणि इतर काही घटक आपल्या घशामध्ये गेल्यानंतर सर्दीसारखे आजार होतात व आपला आवाज बदलतो, म्हणून कोरोना संपला तरी मास्कचा वापर केला पाहिजे.

अध्यक्षीय समारोपात महाविद्यालयाचे प्राचार्य डॉ.प्रकाश थोरात यांनी शिक्षकांना सलग तास असतात, त्यांना सतत बोलावे लागते आवाजामध्ये बदल होतो यासाठी थोडा वेळ बोलल्यानंतर स्वरयंत्राला थोडी विश्रांती दिली तर होणारा त्रास कमी होईल व आवाजाचे सातत्य टिकविता येऊ शकते. आवाज उत्तम येण्यासाठी व्यसनापासून दूर राहिले पाहिजे, तंबाखू, गुटखा, थंड पेय वर्ज्य केले पाहिजे. अशी जीवनशैली ठेवली तर आपला आवाज टिकून राहील हे स्पष्ट केले.

या कार्यशाळेचे प्रास्तावित प्रा.डॉ.सोपान मोहिते यांनी केले, प्रमुख पाहुण्यांचा परिचय परिचय प्रा.डॉ.सोमनाथ यादव यांनी केले तर आभार प्रा.डॉ.विष्णू वाघमारे यांनी मानले. कार्यशाळा यशस्वी होण्यासाठी प्रा.डॉ.वशिष्ठ गुरमे व प्रा.डॉ.रविकांत शिंदे यांनी परिश्रम घेतले.

महाशय,

वरील विषय संदर्भानुसार विनंती की, उपरोक्त संदर्भांकित पत्रान्वये कळविल्याप्रमाणे शासनाच्या पत्रानुसार राज्यातील शिक्षकांच्या आवाजाची काळजी बाबत शुक्रवार दि. १२ मार्च, २०२१ रोजी दुपारी ०४.३० वाजता "आवाज गुरुजनांचा-वेध देशाच्या भवितव्याचा" या विषयावर एक दिवसीय कार्यशाळेत आमच्या महाविद्यालयातील सर्व प्राध्यापकांना मार्गदर्शन केलेबद्दल आम्ही आपले आभारी आहोत.

कळावे, ही विनंती.

आपला स्नेहांकित,

(डॉ. प्रकाश थोरात)

Entrepreneurship Development Program Report

The entrepreneurship development program, also named “Udyojakta Protsahan Karyakram” was organized by Shri Shivaji Mahavidyalaya, Barshi in joint venture with “Navopkram Navsanshodhan Sahacharya Mandal, Udyam - Punyashlok Ahilyadevi Holkar Foundation and Swawlambi Bharat Abhiyan”, to promote the new entrepreneurs interested in starting-up new business in their local areas and helping them right from the inception i.e. application form upto the bank loan facilities and state government aid in starting the new business.

The program was organized on 15/11/2022 in ICT hall no. 14 of the college. Almost seventy participants including women took part in the program. The guidance speech of Prop. Mr. Amol Shivaji Ghadage , the owner of Action Garments, Barshi having a turnover of almost one crore, was organized for the new entrepreneurs, to share his experiences in the business from starting business till the business growth reached one crore target.

The representative of Navopkram Navsanshodhan Sahacharya Mandal, Mr. Channvir Bankur, who is also the elected senate member of Punyashlok Ahilyadevi Holkar Solapur University, Solapur, delivered his speech to encourage the up-coming entrepreneurs and gave them guidance and confidence on “How to start new business”, “How to select a proper business”, market survey, investment required, ways to procure bank loans or loans from state government bodies who help the new entrepreneurs in developing a new business. He gave the assurance to the new entrepreneurs regarding the help from Swawlambi Bharat Abhiyan under “One Umbrella”.

One more entrepreneur who newly started his business in Solapur city, Mr. Vinayak Bankapur, Owner of Vandana Garments, Solapur and Co-cordinator of Swawlambi Bharat Abhiyan Project (Govt. of India), helped the new entrepreneurs regarding business selection, marketing strategies, market competition and survival of the fittest in this competitive world.

The Chairman of the program, Dr. K. P. Deshmukh, gave the introductory speech regarding the motto to organize this event.

The Chair-Person of the program, Dr. Bharati Dilip Revadkar, In-charge Principal, Shri Shivaji Mahavidyalaya, Barshi delivered her concluding remarks about organizing this event and boosted the new entrepreneurs to start and grow their business confidently and also highlighted the possible calculated risks to be faced in the new business.

Mr. Rushikesh Kulkarni, Chartered Accountant, Barshi was a special invited guest on the dais. The program concluded with National Anthem.

**One day National Conference on
Recent Advances in Biological Sciences and Biodiversity Conservation**
(RABSBC 2022)
28th December 2022

Organized by

Department of Botany
Shri Shivaji Mahavidyalaya, Barshi- 413411

CONFERENCE REPORT

- **Conference Organizer:** Department of Botany, Shri Shivaji Mahavidyalaya, Barshi- 413411
- **Funding Support:**
 - 1) Punyashlok Ahilyadevi Holkar Solapur University, Solapur
 - 2) Sangahvi Quality Products Ltd
 - 3) Lawrence and Mayo
- **Venue:** ICT-Hall No. 14, Shri Shivaji Mahavidyalaya, Barshi- 413411
- **Number of Attendees:** 286 participants are registered from various states of India.
- **The objective of this conference:**

This Conference was gathering of national level eminent scientists, scholars and students to share innovative ideas to strengthen the research in biological sciences. The conference aimed to increase the awareness about analytical techniques which have contributed to the recent development in the field of biological sciences. Conference engaged the students to correlate interdisciplinary trends in the field of life sciences. This conference also aimed to provide opportunities to young researchers for presenting their research work and interacting with the eminent scientists from various fields.

- **Themes of the conference:**
 - ❖ Biosystematics of Plants, Animals and Microbes
 - ❖ Biodiversity Conservation
 - ❖ Natural Products and Separation Science

- ❖ Cytology, Genetics and Evolution
- ❖ Biochemistry and Phytochemistry
- ❖ Plants and Animal Biotechnology and Nanotechnology
- ❖ Genomics, Proteomics and Bioinformatics
- ❖ Ecology, Environment and Biodegradation
- ❖ Food, Agriculture, Pharmaceutical Sciences and Phytoremediation
- ❖ Advances in Microbiology, Mycology and Plant Pathology
- ❖ Trends in Phycology, Bryology and Pteridology

➤ **Summary of the conference:**

Since last two years dormant phase was occurred in the teaching as well as research fields due to critical pandemic situation of COVID-19 throughout the world. We step forward by organizing such a national conference in offline mode to facilitate face to face interaction between students, researchers as well as scientists.

It is a great privilege and honor for us to have the opportunity to organize this national conference. The conference organized by Department of Botany, Shri Shivaji Mahavidyalaya Barshi entitled “**Recent Advances in Biological Sciences and Biodiversity Conservation (RABSBC 2022)**” held on 28th December 2022.

In this conference about 286 participants are registered from various states of India. The program starts with Tribute to Mamasahab Jagdale and Lighting the Lamp and a brief introduction about the conference by Convener Dr. Sandya Gaikwad madam followed by the Inaugural Address by Dr. A. B. Shaikh sir, Principal, Shri Shivaji Mahavidyalaya, Barshi, followed by Presidential Address by Dr. B. Y. Yadav, Chairman SSPM Barshi. Prof. Milind Sardesai, Savitribai Phule Pune University, Pune delivered keynote address on the Topic: Carnivorous plants in Session I. He interacted with participants on the plant diversity of insectivorous plants and also discussed conservation strategies for conservation of endemic plants.

In Session II Dr. Aravind N. A., Convenor and Senior Fellow, Ashoka Trust for Research in Ecology and the Environment (ATREE), Bangalore, delivered invited talk first on Topic: Applications of molecular tools in taxonomy, biogeography, conservation and human health. In this lecture he interacted with delegates on the recent molecular tools used to study the plant as well as animals biodiversity and identification. Simultaneously poster evaluation was also carried out in different halls in session II. In Session III Dr. Babu R. L., Assistant Professor, Department of Bioinformatics and Biotechnology, Karnataka State Akkamahadevi Women’s University, Vijayapura, delivered invited second talk on Topic: Small molecule inhibitors (smi) an attractive therapeutic approach for the management of inflammatory disease.

In Session IV Dr. Sandeep R. Pai, Assistant Professor, Dada Patil Mahavidyalaya, Karjat (MS), delivered invited talk third on Topic: Use of analytical techniques in biosciences. In this lecture he interacted with audience on the recent analytical techniques used in qualitative as well as quantitative determination of secondary metabolites from plant sources. Followed session V as a Valedictory Function, in this session awards distribution of best poster presentation in the conference was carried out by the hands of President of this function Dr. Samadhan Pawar, IQAC Coordinator, Shri Shivaji Mahavidyalaya Barshi and Chief Guest Mr. Vinay Sanghvi, Chief of Sanghvi Quality Product Ltd. Barshi. Finally, the conference ended up with the national anthem.

Organizing Committee

Chief Patron:

Hon. Dr. B. Y. Yadav, President, SSPM, Barshi.

Patrons:

Hon. Mr. N. N. Jagdale, Vice President, SSPM, Barshi.
Hon. Mr. P. T. Patil, General Secretary, SSPM, Barshi.
Hon. Mr. A. P. Debadwar, Joint Secretary, SSPM, Barshi.
Hon. Mr. J. C. Shitole, Treasurer, SSPM, Barshi.

Chairman:

Prof. Dr. A. B. Shaikh, I/C Principal, SSM, Barshi.

Convener:

Dr. S. S. Gaikwad Professor and Head, Dept. of Botany.

Co-Convenor & Treasurer:

Mr. P. A. Patil

Co-ordinator:

Dr. D. S. Bhise

Organizing Secretary:

Dr. S. P. Gaikwad

Scientific Secretary:

Dr. P. R. Kshirsagar

Session In charge:

Dr. M. T. Gavali Ms. P. B. Ganje

Ms. P. N. Thonge Ms. U. C. Bangar

Supporting Team:

Mr. R. T. Mane Mr. S. N. Karanjakar

Mr. C. M. Morbale

**One day
National Conference
On
Recent Advances in Biological Sciences
and Biodiversity Conservation**

**RABSBC 2022
28th December 2022**

Organized by
**DEPARTMENT OF BOTANY
Shri Shivaji Mahavidyalaya, Barshi**

Chairman
Prof. Dr. A. B. Shaikh
I/C Principal
Shri Shivaji Mahavidyalaya, Barshi
Dist Solapur 413 411

About Barshi City:

Barshi is a sacred and a holy famous pilgrimage center called 'Bhagwant Nagari'. It is also central market place well known for Tur Dal and Jowar. The world-famous Nargis Datta Memorial Rural Cancer Hospital is a pride of the city. One can reach Barshi by railway from Barshi town/Kurduwadi/Solapur railway station. It is well connected by roads 30 km from Kurduwadi, 70 km from Solapur, 40 km from Osmanabad and 30 km from Yermala. It is gateway to Marathwada.

About College:

Shri Shivaji Mahavidyalaya Barshi was established in June 1960. Its parent institute is Shri Shivaji Shikshan Prasarak Mandal Barshi, founded by Karmveer Dr. Mamasheh Jagdale. The college aims to provide higher education for all-round development of the students from rural areas around the Barshi. The college has attractive building, spacious smart classrooms, well equipped laboratories and beautiful lush green campus. We have huge central library with more than 1.5 lakh books and study rooms with internet facility. We provide accommodation to 300 girls in hostel. College have a multipurpose gymnasium, indoor stadium with 9 acres of well-planned playground. College achieved 'A' grade in NAAC in third cycle with 3.14 CGPA and DBT star college status by department of Biotechnology, Government of India, Best college award by mother University, NIRF ranking in 101-150 rank band, A grade with 91% marks in AAA.

About Department:

The department of Botany was established in June 1960. It has its own rightful place in the glory of college. Department organizes various activities like botanical excursions, workshops, seminars, wall

paper exhibitions as well as flower, food, fun and much more activities through Botanical Association. Department runs UG course since opening of the college and PG course from 2020-21 with specialization Angiosperm Taxonomy and Industrial Botany. Department has well equipped and specious laboratory with museum and herbaria. We have aesthetically maintained Botanical Garden and Nakshatra Van. We have nurtured distinguished alumni those are working in different fields of society. Department is going to develop new areas in the field of botanical research. It has initiated work on biodiversity, bioprospecting and conservation.

Theme of the conference:

- ❖ Biosystematics of Plants, Animals and Microbes
- ❖ Biodiversity Conservation
- ❖ Natural Products and Separation Science
- ❖ Cytology, Genetics and Evolution
- ❖ Biochemistry and Phytochemistry
- ❖ Plants and Animal Biotechnology and Nanotechnology
- ❖ Genomics, Proteomics and Bioinformatics
- ❖ Ecology, Environment and Biodegradation
- ❖ Food, Agriculture, Pharmaceutical Sciences and Phytoremediation
- ❖ Advances in Microbiology, Mycology & Plant Pathology
- ❖ Trends in Phycology, Bryology and Pteridology

About Conference:

Rationale of this conference is to provide common platform for academicians, researchers as well as students from the different disciplines of Biological Sciences. It is gathering of national level eminent scientists, scholars, meritorious students to share innovative ideas to strengthen research in biological sciences. This conference helps to increase the awareness about the analytical techniques which

have contributed to the recent development in the field of biological sciences. The conference will engage the students to co-relate interdisciplinary trends in the field of life sciences. This conference aims to provide opportunity to young researchers for presenting their research work and interacting with the eminent scientists from various field.

Call for Abstract:

Authors must submit soft copy of abstract in MS word through e-mail at ssmmbotany@gmail.com and contact for confirmation to Dr. Damaji Bhise Mob. 9112115890. Abstract may be confined to A4 size paper having maximum 250 words. The abstract should include full title typed in capital letters, centered, followed the author's name and affiliation. The text is in 1.5 spacing, font size 12 in Times New Roman and 5-6 key words.

Presentation mode: Only poster presentation.

Guidelines for preparation of poster: Poster shall be 1m X 1m size printed on any suitable type of printing paper or material. Font size of the text must be legible from a distance of at least 1m.

Last date of abstract submission: 15th December 2022

Registration Fee:

Delegates	Up to 15 th Dec. 2022	Late and Spot Registration
Faculty	₹700/-	₹800/-
Research Fellow	₹500/-	₹600/-
UG/PG Student	₹300/-	₹400/-
Industrial Person	₹1000/-	₹1100/-

Mode of Payment:

The registration fee should be paid through IMPS/ RTGS/NEFT/ DD drawn in favour of Principal, Shri Shivaji Mahavidyalaya, Barshi. Share it's receipt to given email ID for confirmation

Scan QR code to join WhatsApp group. Registration link available in group information

PROGRAMME

**National Conference on
Recent Advances in Biological Sciences and Biodiversity Conservation
(RABSBC 2022)**

28th December 2022

Organized by

Department of Botany

Registration and Breakfast 09.00-10.00 am.

Session I:

Inauguration of Conference: 10.00-10.30 am.

Key Note Address: Prof. Milind Sardesai 10.30-11.30 am.

Professor, Savitribai Phule Pune University, Pune.

Topic: **Carnivorous plants**

Tea Break 11.30-12.00 noon

Session- II

Invited Lecture I: Dr. Aravind N. A. 12.00-1.00 pm.

Convenor and Senior Fellow, Ashoka Trust for Research in Ecology and the Environment (ATREE), Bangalore.

Topic: **Applications of molecular tools in taxonomy, biogeography, conservation and human health**

Poster Evaluation: VENUE: Hall No. 29 and 35 01.00 -1.30 pm.

Lunch Break: VENUE :- Sant Tukaram Hall 01.30 -2.30 pm.

Session- III

Invited Lecture II: Dr. Babu R. L. 02.30-03.30 pm.

Assistant Professor, Department of Bioinformatics and Biotechnology, Karnataka State Akkamahadevi Women's University, Vijayapura

Topic: **Small molecule inhibitors (smi) an attractive therapeutic approach for the management of inflammatory disease**

Session- IV

Invited Lecture III: Dr. Sandeep R. Pai 03.30-04.30 pm.

Assistant Professor, Dada Patil Mahavidyalaya, Karjat (MS)

Topic: **Use of analytical techniques in biosciences**

Session- V

Valedictory Function: 4.30 pm onwards

High Tea

VENUE: ICT Hall No.14

Shri Shivaji Shikshan Prasarak Mandal

Karmveer Dr. Manasaheb Jagdale established Shri Shivaji Shikshan Prasarak Mandal and vocational education up to university level in 1934. The institution aims at imparting liberal and vocational education in social, cultural, agricultural, scientific, commercial and industrial education to the rising generation of India, especially from rural area. The sanstha efficiently runs many primary and pre-primary schools, high schools, colleges, including boardings. Sanstha has its very own, well equipped "Jagdale Mama Hospital" that serves people from various surrounding districts. During COVID-19 pandemic, hospital extended its services through "Covid Dedicated Center" for patients from nearby Bloom, Beed, Latur, Osmanabad regions. Hospital's new "Trauma Unit" has started to offer its services to needy people.

Shri Shivaji Mahavidyalaya

Shri Shivaji Mahavidyalaya, Barshi (Est. 1950) is one of the leading colleges in Maharashtra. It is affiliated to Panyashlok Ahilyadevi Holkar, Solapur University, Solapur. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examinations as well as in extra-curricular activities. Shri Shivaji Mahavidyalaya, Barshi is a full-fledged Arts and Science college having numerous UG, PG departments and highly equipped Research Centers. Highly qualified and experienced teachers along with their teaching duties are actively engaged in research. College receives funding through various national funding agencies like UGC, DBT, DST etc. It is evident by many completed and ongoing research projects. Some major achievements have highlighted here:

- > In 2013, Government of India and Maharashtra State Government have approved community college to our college.
- > During 2017, National Institutional Ranking Framework has placed our college in '100-150' rank band.
- > In 2018, Panyashlok Ahilyadevi Holkar, Solapur University, Solapur awarded college with "Best College" award.
- > In May, 2019 NAAC Bangalore has re-accredited (3rd Cycle) college with 'A' Grade (CGPA 3.14).
- > College has been awarded with STAR status in 2020 by Department of Science & Technology, New Delhi.

Seminar Theme

The COVID-19 pandemic has highlighted the importance of the Microbial Sciences to the entire world. Covid-19 - "This is fundamentally a microbial problem". COVID-19 has increased public interest in the microbial sciences, and scientists have become public figures with the responsibility to communicate scientific findings and knowledge. Many unusual things have become "New Normal" for us. We have now got used to never heard words like Mask, Sanitizers, Social distancing, quarantines, RT-PCR etc.

During this tough time microbial sciences has gone through many innovations. Scientist world over have conducted the critical research to identify the infectious agent, study their reproduction and biology, develop and test vaccines and antimicrobial drugs, making them available to the broader medical community for treatment and prevention." This seminar is a small attempt to highlight some of the innovations in microbial sciences during this COVID-19 pandemic.

- Areas to be covered -
- Medical Virology
- Medical Microbiology
- Molecular Microbiology
- Biotechnology
- Bioinformatics & Bioinformatics
- Developmental Microbiology
- Biophysics & Bioinstrumentation

"INNOVATIONS IN MICROBIAL SCIENCES IN
THE ERA OF COVID -19 PANDEMIC"

In Association with

Punyashlok Ahilyadevi Holkar, Solapur University, Solapur

7th & 8th February, 2022

I/C Principal
Dr. Bharti D. Revadkar

Programme Schedule

Day 1 (7/2/2022)

• Inaugural Session
10:30-11:00am

• Keynote Address - 11:00-12:30pm

Prof. Kharat A. S.
School of life sciences,
JNU, New Delhi 110067

• Technical Session I- 1:00-2:30pm

Dr. Bhagwat P. K.
Post-doctoral Researcher
Department of Biotechnology & Food Science,
Durban University of Technology,
Durban 4001, South Africa.

• Technical Session II- 3:30-5:00pm

Mr. Chandras Chandraon
Head
Research & Development- Enzyme
Shilpa Medicare Ltd. Raichur, Karnataka 584102

Day 2 (8/2/2022)

• Technical Session III- 11:00-12:30pm

Mr. Kadon N. S.
Analyst
Central Instrumentation Facility Center,
Savitribai Phule University,
Pune 411007

• Technical Session IV - 1:00-2:30pm

Dr. Chobe S. V.
Assistant Professor
Swami Vivekananda Yoga Anusandhan Sanshodhan
University,
560105, Bangalore.

• Valedictory & Vote of Thanks - 3:30-4:00pm

Patrons

- Chief Patron -
- Dr. Yadav B. Y. - President
Shri Shivaji Shikshan Prasarak Mandal, Barshi

- Patrons -
- Shri. Jagdale N. N. - Vice President
Shri Shivaji Shikshan Prasarak Mandal, Barshi
- Shri. Patil P. T. - General Secretary
Shri Shivaji Shikshan Prasarak Mandal, Barshi
- Shri. Dhadwadwar A. P. - Joint Secretary
Shri Shivaji Shikshan Prasarak Mandal, Barshi
- Shri. Shitole J. C. - Treasurer
Shri Shivaji Shikshan Prasarak Mandal, Barshi

- Director -
- Dr. Bharti D. Revadkar
I.C. Principal
Shri Shivaji Mahavidyalaya, Barshi.

- Convener -
- Smt. Lokhande S. R.
HOD, Dept. of Microbiology,
Shri Shivaji Mahavidyalaya, Barshi.

- Organizing Secretary -
- Shri. Mane D. B.
Associate Professor
Dept. of Microbiology, Shri Shivaji Mahavidyalaya, Barshi.

Advisory & Organizing Committee

- Dr. Pawar S. D. - Coordinator, IQAC
Shri Shivaji Mahavidyalaya, Barshi
- Dr. Gurame V. M. - Coordinator, DBT STAR College Scheme,
Shri Shivaji Mahavidyalaya, Barshi.
- Dr. Lokhande E. N.
HOD, Dept. of Chemistry, Shri Shivaji Mahavidyalaya, Barshi
- Dr. Ghoshale U. R.
HOD, Dept. of Ullustrations, Shri Shivaji Mahavidyalaya, Barshi
- Dr. (Mrs.) Kabure S. M.
HOD, Dept. of Physics, Shri Shivaji Mahavidyalaya, Barshi
- Dr. (Mrs.) Galkwad S. S.
HOD, Dept. of Botany, Shri Shivaji Mahavidyalaya, Barshi
- Dr. (Mrs.) Salunkhe S. S.
HOD, Dept. of Zoology, Shri Shivaji Mahavidyalaya, Barshi
- Dr. Shinde M. Y.
HOD, Dept. of Mathematics, Shri Shivaji Mahavidyalaya, Barshi
- Shri. Bhisre D. S.
Asst. Prof., Dept. of Botany, Shri Shivaji Mahavidyalaya, Barshi
- Dr. Jadhav C. B.
Asst. Prof., Dept. of Microbiology, Shri Shivaji Mahavidyalaya, Barshi
- Dr. Shetke R. R.
Asst. Prof., Dept. of Microbiology, Shri Shivaji Mahavidyalaya, Barshi
- Shri. Sathe U. M.

“INNOVATIONS IN MICROBIAL SCIENCES IN THE ERA OF COVID -19 PANDEMIC“

In Association with

Punyashlok Ahilyadevi Holkar, Solapur University, Solapur

7th & 8th February, 2022

REPORT

Key note address speaker Prof. Dr. Arun Kharat, JNU Delhi spoke about journey of Covid-19 from China to India. He focused on statistical analysis of Covid-19 with reference to age geographical features, genetic make-up and vaccine development strategy. He also mentioned about polymicrobial saga, coinfection diagnosis and management.

In 1st technical session Dr. Prashant Bhagwat from Durban University of Technology, South Africa, illustrated significance of peptides and peptidomimetics in the treatment of Corona. He shared his ideas about use of fish waste for production of collagen protein which may be used for wound healing, liver cirrhosis and as antioxidants. At the end Dr. Bhagwat guided students about different opportunities and fellowships for abroad research.

In 2nd session Mr. Chandrasen Chanwad, who is alumini of our college and currently working as Head of Research and Development, Shilpa Medicare Ltd. Raichur, Karnataka. He expressed innovative research work on drug designing and discovery. He highlighted the use of recombinant DNA technology for drug development.

In 3rd session Dr. Shivaji Chobe, Assistant Professor, Swami Vivekananda Yoga Anusandhan Sanstha. University Bangalore emphasized his views on Yoga and Ayurveda in Covid-19 pandemic management. He defined total health in one sanskurt shloka समदोषः समाग्निश्च, समधातु मलक्रियः। प्रसन्नात्मेन्द्रिय मनः, स्वस्थ इत्यभिधीयते।।

In his speech he explained role of AYUSH. He told the importance of life style to boost immunity which include यम, नियम, आसन, प्राणायाम, प्रत्याहार, धारणा, ध्यान और समाधि।

In Ayurveda 80% of antimicrobial, anticancer, immunosuppressive and cardiovascular drugs are derived from plants. Herbal medicines produced in India have higher demand in International market.

In 4th and last session of seminar, Mr. Nitin Kadam who is working as analyst at Central Facility Center of Savitribai Phule Pune University, Pune illustrated role of Biophysics and

Bioinstrumentation in life Sciences. He focused on use of advanced chromatography and mass spectrometry in Covid-19 antigen rapid diagnosis test. He also explained use of instruments in separation of antibiotics, peptides and peptidomimetics which are used for treatment of Corona.

During these two days of Seminar, knowledge shared by experts will help in further understanding and effective management of disease. It could be also used in new technology development and improving overall quality of life. Microbiologists can play crucial role in establishing viral testing laboratories, conductance of PCR, specimen collection, handling and transportation. They can assist in development and production of Covid-19 vaccine and antiviral therapies. Microbiologists can contribute in research with respect to diagnosis, prevention and control.

In spite of performing versatile duties, many microbiologists are dumping their innovative thoughts and ideas due to lack of motivations. Currently the whole world is looking at microbiologists as a ray of hope in further understanding the virus properties and treatment for the same. A microbiologist can propagate research in sound direction by nurturing research ideas, if the government as well as private sectors nurture them with possible funding.

Translational research, teaching programmes need to be available to generate a young and well-trained scientific work-force with an integrated understanding on Covid-19 pandemic.

Perspective of microbiologist can help quashing the pandemic and boost Covid-19 research in India. The Covid-19 pandemic has understood the importance of microbiology to combat current and future pandemics.

For different lecture 100 Participants were present

Career Opportunities in Yoga and sports

(Online)

Saturday 9th February 2022

Report

The National level(Online) seminar on Career Opportunities in Yoga and sports was held on 9th February 2022 in Shri Shivaji Maharidyalaya, Barshi. The programme was inaugurated by Dr Suresh Pawar I/C Registrar, P.A.H.Solapur University Solapur and the chairperson of the event was Principal Dr. B.D. Revadkar. The seminar was beneficial to all the age groups. The keynote speaker Dr. L. N. Joshi Dean, Utrakhand Sanskrit University, Haridwar, highlighted the importance of yoga and explored the career opportunities in Yoga. He also laid emphasis on the career opportunities in sports for the students. The recourse parsons for this seminar were Dr. Sunil Deshmukh Laxmibai National Institute of Physical Education, Gwalior, Dr. Sharad Aher Chandrashekhar Agashe College of Physical Education, Pune, Dr. Madhuri Sadgir Mumbai University, Mumbai. Dr.Renuka Bhavsar Jalana SmajkaryMahavidhyalaya, Jalana.,And Dr.Atul lakadeY.C.M.Karamala. The students were acquitted with the different posts available in schools, colleges and universibes. They were also informed about the centers running for the career in sports. The seminar was very fruitful to the students who were selected yoga and sports for the district, state and national tournaments. There were 304 online participants present in the online seminar.

Report on “One-Day Workshop on Research Methodology”

2021-22

The Department of Physics organized a One-Day Workshop on Research Methodology on 30th March 2022, with 57 participants in attendance. The workshop aimed to enhance participants' understanding of research techniques and methodologies. The event began with the first session, which included the inauguration ceremony and a welcome address by our college Principal, Prof. Bharati Revadkar, who presided over the workshop, setting a positive tone for the day. In the second session, Prof. V. B. Patil delivered an insightful talk on key aspects of research methodology, followed by an engaging discussion with the participants. Additionally, Dr. Sanjay Chakane, Principal of A. S. & C College, Indapur, contributed to the session, enriching the discussion with his expertise. The interactive nature of the session was well-received, and participants appreciated the opportunity to clarify their doubts. The third session featured further insights into advanced research techniques, with active discussions that allowed participants to express their appreciation for the detailed explanations provided by the resource persons.

The workshop concluded with the fourth session, the valedictory function, where closing remarks were made, and gratitude was expressed to all speakers and participants. Overall, the workshop was a success, offering valuable knowledge and fostering interactive discussions.
