## Solapur University

Solapur University was established on 1st August 2004 and was inaugurated on 03-08-2004 by the Governor of Maharashtra. The formation of the university at Solapur was a long cherished desire of the people of this region. The centre for P.G. studies had three postgraduate science departments and 7 postgraduate courses conducted in the P.G. departments. With this sound background Solapur University has been established to cater the needs of over 60,000 students' community. The university is poised for an ambitious growth.

The University is now a hub of various academic activities. Good numbers of Engineering, Agricultural, Architectural, Medical and Traditional institutions of national fame are located in and around the city. Solapur is a home of religious saints of various languages as the district is at a triple junction of linguistic states of Andhra, Karnataka and Maharashtra. Therefore, Solapur is secular and metropolitan to its core. The said backdrop makes the University stands for transcendent principles and embodying noble mission. Recently the Solapur University has introduced the concept of school system and has decided to bring its various departments under umbrella of various schools, viz.
